

RavenWing Healing Newsletter

July 2019

Welcome to my first newsletter! My plan is to use this space to share upcoming RavenWing Healing - events, courses and workshops, as well as what's coming up this month Astrologically and some snippets and sprinklings of other bits and bobs...

- 🌀 **Some housekeeping:** If you're receiving this newsletter you will have also received an automated email last Sunday letting you know that I've posted another blog on my website. I'm planning to write a newsletter each month (there may be some in between, it's an evolving thing) and if I've written a blog during that time, you'll get notification of it on the Sunday morning of that week. If you feel you only want to be on one list or the other (blog notification or newsletter) rather than both, please let me know and I'll happily adjust it for you.

Book a consultation

I have a new **booking system** on my website, so if you'd like a Reiki, Pellowah, or Astrology Consultation, just hit the "Book a Consultation" button and it'll take you to a calendar where you can select a time that suits you.

Upcoming Courses & Workshops: I also have the dates listed on my website for all upcoming courses & workshops however, if these dates don't work for you, please contact me and we can come up with a time that would suit. We're all busy these days and some people find weekdays to be a better option for them while others prefer the weekends, I'm happy to accommodate where I can. <https://ravenwinghealing.com/>

- 🌀 **Reiki Level 2:** 20th – 21st July
- 🌀 **Pellowah Workshop:** 10th – 11th August
- 🌀 **Reiki Level 1:** 7 – 8th – 7th September

All courses start at 10am and go through to 5 or 6 pm. Prices and details are on my website, feel free to email for more information. I also hold 'Reiki Meditation Practice' sessions to help you continue your practice once you've completed Reiki 1 or 2. These tend to pop up as the need arises. Let me know if you're interested in re-immersing yourself into your practice and we can begin a regular weekly or fortnightly meet up to help you with that. These are \$20 per session.

New Meditation Group: I'm really looking forward to this group and I hope you'll be a part of it. We'll be investigating different types of meditation and each gathering I'll have something new planned. It's going to be more focused on 'raising your vibration' so I've decided to call it the **Frequency Meditation Group** to reflect that. I'm excited to see how it evolves over time... This will be held twice a month, on a Friday night and the following fortnight on a Saturday, for 1 and a half to 2 hours. You can come to one or both groups, and the cost is \$20 payable on the night.

- 🌀 Friday 12th of July – 7pm
- 🌀 Saturday 27th of July – 10am
- 🌀 Friday 9th of August – 7pm
- 🌀 Saturday 24th of August – 10am

I'll post these dates on my website also so you can easily hop on there to see when the next one will be. Let me know if you're interested in attending so I can plan the space according to the number of people. Email me here to reserve a place: janine@ravenwinghealing.com

Astrological Happenings for July 2019

July:

2 – Mars enters Leo

3 – New Moon (Total Solar Eclipse) in Cancer 10°

4 - Venus enters Cancer

8 - Mercury retrograde in Leo 4°

9 - Chiron retrograde in Aries 5°

17 - Full Moon (Partial Lunar Eclipse) in Capricorn 24°

19 - Mercury retrogrades into Cancer

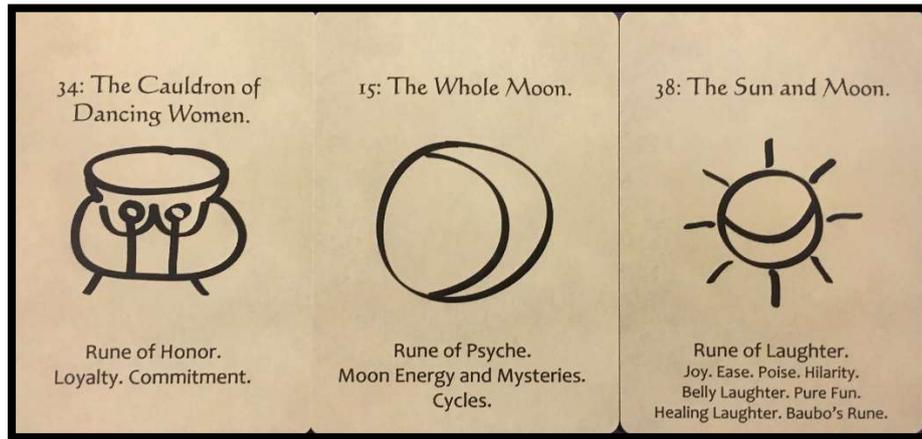

23 - Sun enters Leo

28 - Venus enters Leo

The **Total Solar Eclipse** on the 3rd was all about nurturing, caring, healing, connecting with home and family, and may have also brought up some reluctance to move forward. As it was connected to the North Node it was more about looking ahead than reviewing the past and sometimes this can bring up hesitation, fear, and anxiety unless we're prepared for the change that it may bring with it. If you know your chart, look for anything near 10° of Cancer, Capricorn, Aries and Libra, to see if this eclipse will impact you. While it affects all of us to varying degrees, it will be more influential if you have planets being aspected.

The **Partial Lunar Eclipse** at 24° of Capricorn on the 17th begins at 6.02am (AEST) and will be at its maximum at 7.30am, the Moon sets at approximately 7.39am so depending where you are in Australia, you should be able to see it to its culmination – I recommend you curl up with a hot chocolate and watch it as it happens, it's better than Netflix. In this eclipse the Cancer light from the Sun (spirit) illuminates the Moon (Soul) in Capricorn through the body of the earth. I love how the Moon turns pinkish red like blood (more so if it's a Total Eclipse); it feels like the light is being transmitted through all the beings on the earth. This eclipse is connected to the South Node so it's more about releasing the old ways of being and weaving the threads into ourselves – *gently*. It's not that we need to forget the past, it's about emotional healing through acceptance of what is and moving forward from that point to build the new structures around which will form a brighter and shinier version of you. There may be a tendency to dwell in this space and lose yourself in the shadow side of it, Pluto is cosying up to this eclipse at 21° Capricorn which brings a 'transformative' quality to this eclipse (more so than usual) and the past shadows may have more of a 'pull' than they should. Be aware of this energy and don't get stuck in the muddiness of it – unless you're using it as a revitalising mud bath!

Cards for July 2019

Womanrunes cards from Brigid's Grove

I pulled these cards for this month – in this order and with no conscious choosing from me...I love how they absolutely reflect the happenings of this month!

Always make time to dance, there's joy in the first card but also a serious commitment to honour and respect your need for connection and love through relationship with others. The second card asks us to connect with the natural cycles of earth and moon, bath in the mystery and magic of it all and know that you are an integral part of all. The third card reminds us to not take it all so seriously, laugh, breath, and let go. Heal...

If you like these cards, I found them on Etsy, just search for Brigid's Grove.

I hope you liked this newsletter, I'm very open to suggestions so if you have anything you'd like to see please drop me an email janine@ravenwinghealing.com

Be Bright & Shiny...
